Amazing Grace

Words: John Newton (1772) · Tune: NEW BRITAIN, traditional American melody

Public domain: the original words and tune of this hymn are in the public domain in the United States. This reimagined version, with new lyrics and arrangement, is by Hymn & Hallelujah. Made with human direction and AI assistance.

VERSE 1

Amazing grace, how sweet the sound
That saved a soul like me
I once was lost, but now I'm found
Was blind, but now I see

VERSE 2

You met me in my wandering
You called me by my name
And every road that led me home
Was covered by Your grace

PRE-CHORUS

I could never earn it
I could never pay
Still Your mercy found me
And carried me all the way

CHORUS

Amazing grace, amazing love
You reached for me when I was lost
You broke my chains, You brought me home
And now I know I'm not alone
Amazing grace, how can it be?
The King of Heaven came for me
Forever I will sing Your praise
I'm standing here because of grace

VERSE 3

Through many dangers, toils, and snares
Your hand has carried me
And when I could not see the road
You were the light I couldn't see
Through every valley, every storm
Through every unanswered prayer
I look behind and now I know
Your grace was always there

PRE-CHORUS *(repeat)*

CHORUS *(repeat)*

BRIDGE

Grace when I was broken
Grace when I was afraid
Grace when I was running
Grace that called my name
Grace for every failure
Grace for every scar
Grace that crossed the distance
No matter where you are
And when this life is over
And I see You face to face
Ten thousand years won't be enough
To tell the story of Your grace

FINAL CHORUS *(repeat)*

OUTRO

Amazing grace
How sweet the sound
That saved a soul like me
I once was lost, but now I'm found
Was blind, but now I see
