VERSE 1

Some days the road feels long and winding
Some days the answers don't come clear
But there's a peace that keeps reminding
My heart that You are always near
I've seen the sunshine through the rain
I've watched Your love make all things new
And every morning I awaken
With one more reason to trust in You

PRE-CHORUS

No matter what tomorrow brings
There's a promise in my heart that sings

CHORUS

I've got a joy that the world can't take
A hope that the years can't fade
Through every sunrise, every storm
I'm held in the arms of grace
This is my story, this is my song
Praising my Savior all the day long
Blessed assurance, Jesus is mine
Your love is the light of my life

VERSE 2

I used to worry about tomorrow
And all the things I couldn't see
But now I know through joy and sorrow
Your faithful love is carrying me
The little moments, the answered prayers
The quiet blessings everywhere
Remind me that I'm never alone
And in Your love I've found my home

PRE-CHORUS *(repeat)*

CHORUS *(repeat)*

BRIDGE

When the night feels never-ending
When my strength is almost gone
There's a love that keeps me standing
There's a hope that leads me on
And I don't need to see the future
I don't need to know the way
I just need to know You're with me
Every step of every day

FINAL CHORUS *(repeat)*

OUTRO

This is my story, this is my song
Praising my Savior all the day long
Blessed assurance, Jesus is mine
Forever Yours, and You are mine
