VERSE 1

I woke up with a worried heart
And a thousand things to do
Trying to hold the world together
Like it all depended on me
Then I heard the birds outside my window
Singing in the morning light
And I thought about the One who made them
And who holds me through the night

PRE-CHORUS

If You care for every sparrow
If You see each drop of rain
Then I know that in Your keeping
Not a single prayer's in vain

CHORUS

His eye is on the sparrow
And I know He watches me
Through the sunshine, through the shadows
Through whatever life may bring
I don't have to fear tomorrow
I don't have to walk alone
His eye is on the sparrow
And His love will lead me home

VERSE 2

I've seen days of quiet blessings
I've seen storms I couldn't change
I've watched the plans I made so carefully
Take a turn along the way
But there's beauty in the little things
A kindness I almost missed
A reminder in the morning
That I'm held by hands like His

PRE-CHORUS *(repeat)*

CHORUS *(repeat)*

VERSE 3

When the answers come so slowly
And the waiting feels so long
I can hear Your gentle whisper
Child, I've held you all along
Every season, every moment
Every joy and every tear
Not a sparrow goes unnoticed
And I know that You are near

CHORUS *(repeat)*

OUTRO

His eye is on the sparrow
And I know He watches me
