VERSE 1
When peace like a river
Comes quietly over me
When sorrow rolls in
Like the waves of the sea
Whatever my story
Whatever may come
You've taught my heart to whisper
It is well with my soul

VERSE 2
When answers don't come
And the night feels too long
When all I can offer
Is a trembling song
You haven't abandoned me
You haven't let go
So even through the heartache
It is well with my soul

CHORUS
Not because the storm is over
Not because I understand
But because I know the One
Who still holds me in His hands
It is well, it is well with my soul

REFRAIN
Through the fire, through the flood, still I know
You are faithful, You are near
You will never let me go
So whatever comes tomorrow
It is well with my soul

VERSE 3
My sin and my sorrow
You carried to the cross
You took all my brokenness
You counted not the cost
The weight that once held me
No longer has control
Jesus, You have set me free
It is well with my soul

CHORUS
Not because the road is easy
Not because I never fall
But because the grace of Jesus
Is greater than it all
It is well, it is well with my soul

REFRAIN *(repeat)*

BRIDGE
When I can't see the ending
It is well
When I don't understand
It is well
When the night surrounds me
It is well
I'm still held within Your hands
When the morning finds me
It is well
When my faith becomes my sight
It is well
Till the day I stand before You
I will trust You with my life
It is well, it is well with my soul

FINAL REFRAIN *(repeat)*

OUTRO
It is well
With my soul
